

Labour of love - or labour versus love?

The Way We Are Now is our major study of more than 5,000 people across the UK which provides a unique window into the state of the UK's relationships at work, with partners, with family, our sexual relationships, and social relationships.

Reported they have a **good relationship** with their boss

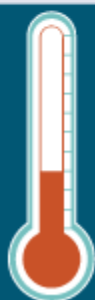

59%
Men

67%
women

12%

Agreed their boss behaves in an **intimidating/bullying** way towards them

Feel pressured to work by their manager even if they are ill

30%

Of employees reported they have a **good relationship** with their colleagues

1/4

Agreed attending to **care responsibilities** is frowned upon at work

Agreed their employer assumes the most productive employees **put work before family life**

Employees with flexible work arrangements listed **household chores**

as a strain on their partner relationships, compared to **18%** of employees without these arrangements

25%
